NOTES:

Defense stated that the defendant is not prepared to answer to the petition for the violation nor enter a change of plea. He also stated that in light of the violation report there are pending cases in the Superior Court of Guam. Defense moved for a continuance of the trial date to the first week of November and stated his reasons. Government had no objections to the motion.

Accordingly, the Court concurred with defense counsel and stated that the Ends of Justice would require and necessitate a continuance to look into new allegations and violations provided by probation. Trial is continued to November 1, 2005 at 10:00 a.m. The Court also stated that based on the reports by probation, the defendant is remanded into custody. No objections stated by counsel.
